

STOP THE SPREAD

An illustration of a hand with fingers spread, holding a large orange virus particle with white spikes and two white dots in the center. The virus particle is positioned at the tip of the index finger.

-
- If you are sick, **STAY HOME!**
 - Clean, clean, clean! Wipe down all surfaces using a proven disinfectant, virucide, or a 10% bleach solution.
 - Wash your hands frequently (for at least 20 seconds, with soap and water).
 - Maintain Social Distancing, at least 6 feet apart.
 - Do not gather in groups of more than 10 people.
 - Use Personal Protective Equipment such as masks to inhibit the spread of germs.
 - Avoid touching your face.

STOP

THE SPREAD

An illustration of a hand with fingers spread, holding a red, spherical virus particle with small black spikes protruding from its surface. The virus particle has two white dots on its surface.

-
- If you are sick, **STAY HOME!**
 - Clean, clean, clean! Wipe down all surfaces using a proven disinfectant, virucide, or a 10% bleach solution.
 - Wash your hands frequently (for at least 20 seconds, with soap and water).
 - Maintain Social Distancing, at least 6 feet apart.
 - Do not gather in groups of more than 10 people.
 - Use Personal Protective Equipment such as masks to inhibit the spread of germs.
